FROM THE PRESIDENT'S DESK
BY DON VARY KDØHHN

.Hello everyone. Nice to see we finally have gotten some decent weather, but it's a reminder of what's coming down the road. Now would be the time to make sure all of your coax connections are good and that your antennas are also in good repair. I know I would rather check everything now instead of in snowy, cold weather.

Progress is being made on the hamfest, which is scheduled for May 4, 2024 at the Palmyra American Legion. As more is finalized we will make it available to all members. Guess that's all for now. Everyone stay safe and we'll see you down the log
